### SMALL PACKAGE SHIPMENTS

Shipments received without individual/carrier receipts or freight bills, such as UPS, FEDERAL EXPRESS, EXPRESS MAIL, PARCEL POST, or PRIVATE VEHICLE, etc., will be delivered to the booth without guarantee of the piece count or condition. GEMS will assume no liability for these shipments. \$50.00 per shipment will be charged for packages 25 pounds and under.

### LABOR AND EQUIPMENT

Labor will be available for un-crating, un-skidding, assembling, positioning, leveling, dismantling, re-crating, and re-skidding machinery and/or equipment of exhibitors. Please see the "INSTALLATION AND DISMANTLING LABOR ORDER FORM" in this manual.

### SPECIAL HANDLING

Add 50% to the quoted Show facility rate for un-crated or loose display shipments or shipments by any truck which, because of height or truck bed, cannot be unloaded at the docks. Un-crated and loose display shipments will not be received at the warehouse. This form of shipment should be sent directly to the Show facility, scheduled to arrive during the move-in time. These shipments will not be accepted prior to the move-in dates. Un-crated and loose display shipments are defined as open displays (not crated or cased) or un-skidded machinery on an open flatbed truck without proper lifting bars or hooks. If the crated materials are combined with un-crated or loose materials in the same shipment, and the Bill of Lading does not identify the various classifications, the whole shipment will be charged at the special handling rate.

### INBOUND BILL OF LADING OR DELIVERY RECEIPT

All shipments must have a Bill of Lading or delivery receipt showing number of pieces, weight and description of merchandise. The charges will be computed based on this weight. In the event that no weight is indicated on the documents presented, GEMS shall estimate the weight, and all charges will be based on these estimates. The estimates will be binding on both parties. A \$25 fee will be applied to your invoice if GEMS finds it necessary to provide this weigh scale service. No adjustments will be made after the Show closes. Copies of the Bills of Lading, including pro number, should be mailed to GEMS as soon as shipments are made. This will assist in tracking, if necessary.

### EMPTY CONTAINER LABELS

Empty labels for storage of containers during the Show will be available at the Exhibitor Service Center. Affixing the labels is the sole responsibility of the exhibitor or representative. All previous labels should be removed. GEMS assumes no liability for errors to the above procedure, removal of containers with old labels, improper information or valuables stored in containers with old empty labels. Empty crates or containers will not be accessible after removal unless prior arrangements are made for accessible storage at the Exhibitor Service Center.

### SPECIAL RATES AND SERVICES

- Steel banding is available at \$1.50 per linear foot, plus one-half hour minimum labor.
- Shrink Wrap is available at \$15.00 per pallet / skid plus one-half hour labor..
- Mobile equipment will be moved in & out of the exhibit hall on a time & material basis with a minimum \$250 charge per round trip.

**MATERIAL HANDLING RATES**

-CONTINUED-

**AGREEMENT OF TERMS**

The exhibitor accepts responsibility for the payment of charges in connection with the handling of shipments and guarantees payment to GEMS for the incurred services described herewith.

**OUTBOUND SHIPPING**

Each exhibitor or his representative will be expected to label his exhibit materials and furnish shipping information. Labels and Bills of Lading will be available at the Exhibitor Service Center. Previous shipping labels should be removed. GEMS accepts no responsibility for misdirected shipments as a result of old shipping labels remaining on containers. GEMS will route all shipments unless special advance arrangements are made. Exhibits and materials for which arrangements have not been made with GEMS, or which have not been removed from the exhibit area on removal day, will be transported to our warehouse, at an additional charge, to await disposition. GEMS reserves the right to route exhibit material via an alternate carrier in the event that the requested carrier fails to pick up the shipment or refuses to accept shipments within five (5) business days following the close of the Show. No liability will be assumed by GEMS as a result of such re-routing or handling. Any freight brought back to the warehouse for special pick-up will be given an additional charge.

**SHIPMENTS RETURNED TO THE WAREHOUSE**

At the close of the Show, should shipments need to be brought back for any reason, there will be an additional charge of \$95.00 per CWT for straight time and \$190.00 per CWT for overtime, with a 500 lb. minimum.

**LIMITS OF LIABILITY**

All shipments should be insured by the exhibitor from the time they leave their firm until they are returned after the Show. All exhibits or materials handled by GEMS and insured by the exhibitor are not to exceed a value of \$0.25 per pound and are not to exceed a maximum of \$50.00 per item or \$1000.00 per claim, whichever is less. GEMS and its subcontractors are not insurers. The amounts paid to GEMS are based on the value of the material handling services and are unrelated to the value of the property being handled.

GEMS and its subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts, work stoppage, fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearances or other causes beyond its control, or for ordinary wear and tear in handling of equipment. GEMS and its subcontractors shall not be responsible for the materials after they have been delivered to the booth, or before they have been picked up for loading at the exhibit hall. GEMS shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage. All Bills of Lading covering outgoing shipments, which are given to GEMS by exhibitors, will be checked at the time of pickup from the booth, at which time corrections will be made where discrepancies exist. *Furthermore, the exhibitor recognizes there may be a lapse of time between the completion of packing and the actual pickup of materials from the booth for loading onto a carrier. During such time, the materials will not be under the care or responsibility of GEMS.* GEMS and its subcontractors shall not be liable to any extent whatsoever for potential or assumed loss of profits or revenues for any collateral costs, which may make it impossible or impractical to exhibit. Same claims for loss or damage which are not submitted to GEMS within thirty (30) days of the close of the Show shall be considered waived.

No suit or action shall be brought against GEMS or its subcontractors more than one year after accrual of the cause or action thereof. In order to expedite removal of materials from the Show site, GEMS shall have the authority to change designated carriers if such carriers do not pick up on time. Where the exhibitor makes no disposition, materials will be either taken to a warehouse to await exhibitor's shipping instructions (in which case extra charges will be the responsibility of the exhibitor) or shipped to the exhibitor's address.
